

# Every Schoolyard is a Classroom

*Attend an Event. Share and Use a Resource. Partner with Us. Donate to Support our Work towards Daily Outdoor Equity.*

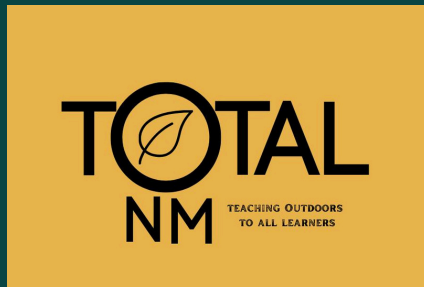

## Our Growing Impact

TOTAL NM is building a statewide movement to support outdoor learning through our programs and partnerships by:

- [Advancing conversations around equity and daily access](#)
- [Supporting Educators in daily outdoor learning practice](#)
- [Building a statewide network for educators and partners](#)
- [Creating tools and resources for schools](#)

TOTAL NM is founded on the transformative idea that inclusive, accessible, and equitable outdoor spaces can benefit the educational experience for all learners of all abilities and backgrounds.

### We Accept Donations!

TOTAL NM is a 501(c)(3) nonprofit dedicated to getting all learners outdoors and learning. With your support, we can do even more—thank you for being part of this movement!

# The New Mexico Outdoor Classrooms Framework

The New Mexico Outdoor Classrooms Framework is a free, easy-to-use guide designed to help educators integrate outdoor learning into their daily routines—no matter where they teach. Built by and for New Mexico educators, this resource supports **accessible, equitable, and sustainable outdoor learning in any schoolyard.**

## Three Main Supports:

1. **Step-by-step guidance** to help educators start and grow outdoor learning in their unique school setting.
2. **Ready-to-use resources** and examples from real New Mexico educators, aligned with standards.
3. **Equity-focused practices** to ensure all students—regardless of background or ability—can access meaningful learning outdoors.
